

St George's Hospital automated car parking system

With effect from Tuesday 29 March 2016 the St George's Hospital car parking system was upgraded to be fully automated.

PAY STATIONS – there are two located on the site

- **Canon Wilford Wing** – ground floor (by the lifts)
- **Leinster Chambers** – ground floor, car park lift lobby

Instructions

- Please remember to take your parking ticket with you when leaving your vehicle
- BEFORE returning to your vehicle, visit one of the pay stations:
 - Insert the parking ticket you received on entry to the car park
 - The amount owing will be displayed
 - Payment options at the pay stations are cash / eftpos / credit card (Visa and Mastercard)
 - Remove your parking ticket
- When exiting insert your prepaid parking ticket at the exit barrier
- **You have 15 minutes from the time of payment at the pay station to presenting your ticket at the barrier arm and exiting the site**

Please note: If you do present your **unpaid** parking ticket at the barrier arm the only form of payment available is by credit card (Visa and Mastercard)

The new automated car park system has been designed to cater for most payment options, however if you experience difficulties, please ask one of our staff prior to proceeding to the exit. Thank you
